

## **Infrastructural Facilities at the University Headquarters and Regional Centre**

### **A. Infrastructural Facilities at Headquarters:**

The University Headquarters consists of two campuses-one is officially registered campus situated in the natural landscape of Rani Hills at Patgaon, Rani Gate, Guwahati-17 and the other one is the City Campus located in Khanapara, Guwahati-22 on the National Highway 37.

### **Facilities at the City Campus, Khanapara:**

The total area of the City Campus is about 3.5 acres of land and construction of interconnected four blocks of eight-storied building is going on. This campus building is being designed and constructed following the important features of Green Building Concept. The built up area of the City Campus is about 96,000 square feet.

Presently, all the functionary wings of the University are fully operational from the Khanapara Campus since the later part of 2020. The Campus is well equipped with all modern facilities, as detailed below:

**Facilities at Patgaon Rani Campus:** This campus is of 38,000 square feet of land having a three-storied building in an area of approximately 15,263 square feet along with an Assam Type House of 52 square feet. The three-storied building of the Rani Campus houses the following:

1. Vice Chancellor's Office
2. Registrar's Office
3. Conference Hall for holding meetings/training programme
4. Cell for bulk distribution of SLMs with all logistic facilities
5. Vocational & Skill Development Centre under Guru Prasad Das School of Vocational Studies
6. Training Hall for Vocational Trade with residential facilities for 50 trainees
7. Nursery (Flower and medicinal plants)

All offices, centres and branches at the Rani Campus are well-furnished and each floor has common washrooms and running water facilities. The Assam Type house at the Patgaon Rani Campus is used as Security Personnel Cell.

## Infrastructural Facilities at the Regional Centre:

The first and only Regional Centre of the University was established on 1<sup>st</sup> December, 2013 at Jorhat (A.T. Road, Tarajan) to look after the LSCs located at the districts of Jorhat, Golaghat, Sivasagar, Tinsukia, Majuli, Charaideo and Dibrugarh of Upper Assam. The Jorhat Regional Centre is presently housed in a rented premise of 2,290 square feet. But, the University has its own land of 1 Bigha, 1 Katha and 13 Lecha at Jorhat town. The JRC Office is headed by one Assistant Regional Director (ARD). The JRC has rooms for the Vice-Chancellor, ARD, administrative staff, conference room, storage and reception, a library with books and SLM etc. The JRC is equipped with internet, computers, printers and other office equipments.

Moreover, the University also possesses a plot of 1.24 acres in North Lakhimpur in the District of Lakhimpur for its proposed Regional Centre over there.
