Profile Summary: My role as an Assistant Professor in KK Handiqui State Open University is to provide a platform for the students to interact and acquire education through it. As a teacher and researcher of educational studies, my goal is that the students' benefit maximum for online class lectures and other interactive sessions, and will try to bring major projects to the department. To provide Cooperation regarding organizations of more workshops and seminars will be my next step towards gaining better skills for both students and teachers, which helps to improve critical thinking and writing along with the opportunity to interact with researchers worldwide. Thus, my goal is to accomplish, the self and student development, and sincerity required to accomplish this goal, are the strength that I possess and hope to contribute to lift KKHSOU to a greater height.
